

IIM National Sustainability Award in Ferrous Category

The Ferrous Division of **The Indian Institute of Metals** is inviting entries for assessing Sustainability Performance for a Steel Company under three categories:

- Integrated Steel Plants
- Secondary Steel Plants /Alloy Steel Plants
- Pig Iron /DR Plants /Major Re-rolling Units

This evaluation would be based on the performance and achievements accomplished during **April 2025 to March 2026**.

The Organizational Awards will be conferred during the **IIM Awards** Ceremony scheduled to be held between **10th and 12th December 2026** at Birla Institute of Scientific Research (BISR) Jaipur

With a primary objective to make it relevant and precise, the questionnaire on the Sustainability Award for Ferrous Industries has been reframed with effect from 2025, thus helping IIM to assess and potentially award recognition for Companies demonstrating sustainable steel production practices.

The questionnaire likely focuses on various aspects of a company's operations, including their approach to green hydrogen, renewable energy, and other environmentally friendly initiatives in steelmaking. The objective has a clear slant towards promoting sustainable development of all Ferrous Production Centres in India.

The entry fees as per the following schedule, in the form of a draft/cheque/Net-Banking drawn in favor of 'The Indian Institute of Metals' payable at Kolkata may be paid after the application from the respective Organizations in these categories are successfully submitted online through the Awards Portal.

- Rs. 10,000 for Integrated Steel Plants [Category I]
- Rs. 5,000 for Secondary Steel Plants / Alloy Steel Plants [Category II]
