

## **IIM National Sustainability Award in Non- Ferrous Category**

The Indian Institute of Metals (IIM) has great pleasure in inviting entries for assessing for the development and growth of the Indian Non-Ferrous metals industry.

In the Non-Ferrous Category, there are three categories of awards:

Category I: Large integrated manufacturing plants

Category II: Secondary processing / fabrication plants (other than casting and forging)

Category III: Units engaged in casting & forging operations

This evaluation would be based on the performance and achievements accomplished during **April 2025 to March 2026**.

The Organizational Awards will be conferred during the **IIM Awards** Ceremony scheduled to be held between **10th and 12th December 2026** at Birla Institute of Scientific Research (BISR) Jaipur.

With a primary objective to make it relevant and precise, the questionnaire on the Sustainability Award for Non-Ferrous Industries has been reframed with effect from 2025, thus helping IIM to assess and potentially award recognition for Companies demonstrating sustainable practices in corrosion resistance, strength, conductivity, and overall suitability for different uses.

The questionnaire likely focuses on various aspects of a company's operations, including Raw Material SUSTAINBILITY, Technology Upgradation, Production & Productivity, Environment, Recycling/Circular Economy, Q.I.P for Production, Q.C., Testing Personnel etc. The objective has a clear slant towards promoting sustainable development of all Non-Ferrous Production in India.

The entry fees as per the following schedule, in the form of a draft/cheque/Net-Banking drawn in favor of 'The Indian Institute of Metals' payable at Kolkata may be paid after the application from the respective Organizations in these categories are successfully submitted online through the Awards Portal.

- Rs. 10,000 for Category I : Large integrated manufacturing plants
- Rs. 5,000 for Category II: Secondary processing / fabrication plants (other than casting and forging)
